

Bell Canyon Community Center

At the heart of Bell Canyon lies its Community Center designed by renowned designer, Cliff May. Known as "the father of the California Ranch House" May is noted for combining the western ranch house and Hispanic hacienda styles with the elements of modernism, always with the goal of bringing the outdoors in.

The Community Center was designed to be used for many purposes. It faces a courtyard with deep overhangs and landscaped planters which provide a beautiful backdrop for any occasion. So whether you are planning an Anniversary, Bar or Bat-Mitzvah, Corporate Event, Engagement Party, Wedding, or other affair, the Bell Canyon Community Center can be host to an occasion that your clients will treasure.
